Instructions: List the gross annual income you received for handling organic products during the last calendar year. Your gross annual income may be in the form of sales for organic products, or in service fees you received for handling organic products. List each product separately and/or department separately and be sure all products on your organic certificate are accounted for. Indicate \$0 or "no sales" for products that are certified but were not sold or handled last year.  *If your organic sales (or service fee) records are not kept for individual products, you must provide a written explanation of how your records are kept and how you calculated your total gross annual income of organic products.
